REALLOCATION OF FUNDS – Provides documented approval for a consultant's request to reallocate funds between pay categories (i.e. direct labor, indirect labor/direct expenses, fixed fee for profit) within their existing agreement and does not change total agreement amount.

- a. Approval for Subconsultant overrun. *{Fees & Payment Exhibit, Section 3.A}*
 - b. Approval for Subconsultant underrun, with reallocation of some/all of remaining subconsultant costs to others/prime. *{Fees & Payment Exhibit, Section 3.B}*
 - c. Approval to reallocate agreement amounts between pay categories. *{Fees & Payment Exh, Section 2.}*
1. Describe the reason(s) that a reallocation of funds between pay categories is needed. If reallocating funds to labor or profit is requested, include justification for why additional labor or profit above the negotiated amount is necessary to complete the work. If reallocating subconsultant's underrun costs, confirm sub will no longer need the remaining money.
