

APPROVED APPRAISER APPLICATION FORM

Your work product produced for the Nebraska Department of Transportation, Counties, Cities, Villages, Airport Authorities, and Natural Resource Districts will be reviewed for conformance with NDOT and Federal requirements. Work not meeting these requirements can jeopardize Federal funding for a project. Persons not demonstrating knowledge of these requirements will be removed from the list. It is also necessary for you to notify NDOT of any changes in your credentials and contact information. Failure to notify NDOT of these changes will result in removal from the NDOT Approved Appraiser List.
