**Certified Work Categories:** Note: listed below in blue

---

|  |   |
|--|---|
| 100 - Corridor Studies                         | 200 - Aerial Photography x              |
| 101 - Environmental Studies                    | 201 - Aerial Photogrammetry x           |
| 101A - NEPA Studies                            | 202 - Engineering Survey                |
| 101B - Other Environmental Studies             | 203 - Geodetic Surveying                |
| 102 - Transportation Planning                  | 204 - Land Surveying                    |
| 103 - Traffic Operations Studies               | 205 - Materials Testing                 |
| 104 - Traffic Operations Design                | 206 - Pavement Design                   |
| 105 - Highway Design - Major                   | 206A - Bituminous Design - Surfacing    |
| 105A - Highway Design - Major Rural            | 206B - Bituminous Design - Resurfacing  |
| 105B - Highway Design - Major Urban            | 207 - Geological Studies                |
| 106 - Highway Design - Minor                   | 208 - Bridge Structural Analysis        |
| 106A - Highway Design - Minor Rural            | 208A - Bridge - NBIS Bridge Inspections |
| 106B - Highway Design - Minor Urban            | 208B - Bridge - Load Rating             |
| 107 - Bridge Design                            | 209 - Hydraulic and Hydrologic Studies  |
| 107A - Bridge Design - Major                   | 210 - ROW Design                        |
| 107B - Bridge Design - Minor                   | 210A - Land Ownership Research          |
| 108 - Railroad Design                          | 210B - Right of Way Plans               |
| 109 - Construction Inspection                  | 210C - Legal Description and/or Plats   |
| 109A   | 211 - Public Involvement                |
| 109B   | 212 - Value Engineering                 |
| 109C   | 300 - Other                             |
| 109D   | 301 - Other                             |
| 110 - Building Design and Inspection           | 302 - Other                             |
| 111 - Electrical and Mechanical Design         | 303 - Other                             |
| 112 - Railroad Planning                        | 304 - Other                             |
| 113 - Intelligent Transportation Systems (ITS) |   |
