

Only the firms appearing on this list may be used to fulfill DBE participation goals on projects in this letting.

The type of work each DBE firm may perform to meet a goal is indicated by the NDOT work codes and the NAICS codes following the firm's contact information. The index for the NDOT work codes is listed below. NAICS code information may be found at: <http://www.census.gov/eos/www/naics/>

In the event of a joint-venture between two or more DBE firms, the firms must submit a formal Joint-Venture Agreement to the NDOT Disadvantaged Business Enterprise Office for approval. Joint-ventures must be approved at least ten (10) days prior to the letting in which the joint-venture will be providing bids. All DBE firms participating in a joint-venture must be certified to perform the work items they bid, and must be responsible for a distinct, clearly defined portion of the work of the contract.

For additional information, contact the NDOT Disadvantaged Business Enterprise Office at (402) 479-4514.
