**FOR IMMEDIATE RELEASE**

## Work will resume on US-77, from Beatrice to Princeton

**July 11, 2025 (Lincoln, Neb.)** — Weather permitting, work will resume Monday, July 21, on U.S. Highway 77 (US-77), from reference post 23+88 to reference post 31+07 and reference post 38+52 to reference post 45+09, according to the Nebraska Department of Transportation.

Midwest Coatings is the prime contractor for this project. Remaining work includes the placement of armor coat and chip seal materials on mainline and shoulders. Traffic will be maintained with lane closures and a 12-foot width restriction will be in effect. Anticipated completion is Aug. 2025.

Motorists are reminded to drive cautiously in and near work zones, to buckle up, and put phones down.
