

STATE AID GRANT PROGRAM

- d) As-built airport layout plan, if necessary.
2. Upon receipt of these items, Aeronautics will send a Certificate of Completion and Release to the contractor for signature. The contractor also must send in a Department of Labor Form 16 showing payment of all unemployment insurance. Aeronautics will not approve the final estimate until receipt of all items.
3. Final Costs. After all final construction estimates are approved, Aeronautics will send a worksheet to the sponsor listing all grant costs. The sponsor will have 30 to 45 days to submit any additional costs previously overlooked. The sponsor also must send in copies of the cancelled checks (front & back) written for the grant.
4. Project Overruns. If costs have exceeded the approved state funds, the sponsor may request from the Commission an increase in funding of up to fifteen percent (15%). Overruns must be carefully and thoroughly justified.
5. Final Statement of Cost. The sponsor's signature on this shows their agreement of the settlement of all costs. Aeronautics will close the grant when the final funds are sent to the sponsor.
6. Grant Closeout. State-aid only grants are officially closed by vote of the Aeronautics Commission.
