NOTICE: Cancellation of Procurement (50th St. - I-480 Design-Build Project | CN 22855)

The Nebraska Department of Transportation (NDOT) hereby announces the cancellation of the procurement for the 50th Street to I-480 Project. This decision comes prior to receipt of Statements of Qualification (SOQs) and is based in part on NDOT having received only a single letter of interest, indicating that there is only one Proposer. In this situation, Nebraska Revised Statute 39-2813 provides NDOT the discretion to continue or cancel the procurement.

Pursuant to Section 5.2 of the RFQ, NDOT reserves the right, in its sole discretion, to cancel this RFQ and issue a new RFQ. NDOT anticipates issuing a **new Design-Build RFQ in May 2026**.

Prior to the issuance of the new RFQ, NDOT will be seeking industry input on the commercial terms and risk allocation set forth in the Design-Build Agreement (DBA) to encourage broader industry participation. To do this, NDOT will be issuing a draft template DBA and a Request for Information (RFI) and take the input into consideration prior to starting the new procurement process. The anticipated schedule for RFI and the new RFQ is detailed below.
