Request for Qualifications

Professional Services for 2025 Traffic Data Collection

October 8, 2025

Statements of Qualifications are due Wednesday, October 29, 2025, 1:00 P.M.

GENERAL

In accordance with Nebraska Consultants' Competitive Negotiation Act ([Neb. Rev. Stat. §81-1702](#)), the Brooks Act ([40 USC 1101](#)), and [23 CFR 172.5](#), the State of Nebraska, Department of Transportation (NDOT), is issuing a Request for Qualifications (RFQ) for Professional Services for 2025 Traffic Data Collection. Qualified consultants are invited to submit a statement of qualifications as outlined below. NDOT's website referred to in this document is located at: <http://www.dot.nebraska.gov/business-center/consultant/>

All consultants interested in providing professional services for NDOT are strongly encouraged to review NDOT's template [Standard Professional Services Agreement](#), [Insurance Requirements for Professional Service Providers](#) prior to responding to this RFQ. By submitting a statement of qualifications in response to this RFQ, Consultant, and all subconsultants, agree to meet the substantive requirements of these documents. These documents can be found on NDOT's website. An agreement will not be executed unless consultant provides a current overhead (indirect cost rate) schedule and proof of meeting the insurance requirements in the form of an [Insurance ACORD](#). Further information regarding insurance, including a [checklist](#) to assist in submitting an acceptable certificate, can be found at <https://dot.nebraska.gov/business-center/consultant/insurance/>.

This RFQ does not commit NDOT to award a contract, to pay any costs incurred in the preparation of a response to this request, or to procure or contract for services. NDOT reserves the right to award contracts to more than one qualified consultant, to accept or reject any or all responses received as a result of this request, to negotiate with any qualified consultant or to modify or cancel in part or in its entirety the RFQ, if it is in the best interest of NDOT to do so.

In accordance with Nebraska Revised Statute [84-712](#) et.seq., Nebraska Public Records Act, documents provided to NDOT are public records subject to disclosure unless consultant requests in writing that documents must be kept confidential and can demonstrate that such records are confidential under federal or state law.

Required Title VI Non-discrimination General Assurance

The Nebraska Department of Transportation, in accordance with the provisions of Title VI of the Civil Rights Act of 1964 (78 Stat. 252, 42 U.S.C. §§ 2000d to 2000d-4) and the Regulations, hereby notifies all bidders/offerors that it will affirmatively insure {ensure} that any contract entered into pursuant to this advertisement, disadvantaged business enterprises will be afforded full opportunity to submit bids in response to this invitation and will not be

discriminated against on the grounds of race, color, or national origin in consideration for an award.

STANDARD WORK CATEGORIES

Standard Work Categories anticipated on this project are listed below. Consultant/team must be certified in the following Standard Work Categories. Information regarding the [Standard Work Categories](#) can be found on NDOT's website.

140 Traffic Operation Studies & Design

SCOPE OF SERVICES

A. Overview

Consultant selected for this work will be required to provide traffic engineering data collection. Traffic engineering data collection includes intersection turning movement counts, pedestrian and bicycle behavior counts, speed surveys, inventories, and any other studies as defined in the Institute of Transportation Engineers (ITE) Manual of Transportation Engineering Studies. The Nebraska Department of Transportation (State) anticipates up to 40 hours per week for data collection activities, depending on factors such as weather, seasonal conditions, etc.

Area 1

The State will assign data collection tasks and locations within approximately sixty (60) miles of the Lincoln or Omaha city corporate limits. The attached map, Exhibit A, represents locations that may be utilized for data collection activities for this assignment. Overnight travel or lodging is not anticipated but may be approved by the State with permission prior to travel. The State will typically provide the Consultant with at least two (2) weeks' notice of the site location(s) for data collection.

Area 2

The State will assign data collection tasks and locations typically located in Districts 5, 6, 7, & 8. The attached map, Exhibit B, represents locations that may be utilized for data collection activities for this assignment. Overnight travel or lodging is anticipated. The State will typically provide the Consultant with at least two (2) weeks' notice of the site location(s) for data collection.

The Consultant must submit all collection data, including videos, electronically to the State once final processing of the field data has been completed. The Consultant will typically be required to meet with the State data collection supervisor (virtually) once a month to discuss upcoming work and scheduling conflicts.

B. Qualifications, Knowledge, and Experience

Consultant shall ensure that all employees have sufficient training and experience in data collection.

Consultant shall have a working knowledge of and use, when applicable, the following non-exclusive list of publications:

- ITE's Manual of Transportation Engineering Studies
- Manual on Uniform Traffic Control Devices (MUTCD) 2009 Edition
- Nebraska's 2019 Supplement to MUTCD
(<https://dot.nebraska.gov/media/j0klgqug/ne-mutcd-2019.pdf>)

C. Software and equipment requirements

Consultant shall use the following software:

- Microsoft Office
- PetraPro version 1.6.0 or newer

Consultant shall provide the following equipment:

- Vehicle
- Computer, Laptop, or Tablet
- Radar for speed data
- Traffic Data Collector/Count Board (or similar)
- Cell Phone
- Ball Bank Indicator
- Digital Camera
- Dash Camera or other Video Collection Equipment
- Personal Protective Equipment

Other equipment and software, such as video vehicle data collection equipment, portable radar units, or tube counters, are acceptable alternatives.

D. Expectations for the deliverables

Deliverables will be submitted in electronic format. All on-site data in paper format must be scanned into electronic format (PDF) prior to submittal.

Deliverables include, but not limited to:

- Photos and sketches
- Vehicle volume summary sheets
- Speed data summary sheets
- Field notes/NDOT Forms
- Inventories
- Videos

DETAILS

It is anticipated that four (4) consultants will be shortlisted for interviews, with up to two (2) consultant awarded the contract for the work. The proposed contract will be negotiated annually for up to two (2) years. The evaluation criteria to be used for the short-listing and final selection are outlined below. The payment method for the contract may be Cost Plus Fixed Fee or Specific Rates of Compensation.

NDOT reserves the right to abandon or terminate any contract at any time and either re-advertise services or utilize its own forces. NDOT also reserves the right to

accomplish services for future phases on all projects with the selected consultant, select another consultant, or utilize its own forces.

NDOT will not hold a briefing. All information is contained within this RFQ and on NDOT's website. If additional information is deemed necessary, it will be posted on the same web page as this RFQ and will be labeled as an update. Consultants interested in this RFQ are responsible for checking for updated information.

Interested consultants must be certified by NDOT or have a completed certification form on file with NDOT prior to the deadline identified in the Schedule of Activities. Instructions for completing the NDOT Annual Consultant Certification form is available at: <https://dot.nebraska.gov/media/g1qb344b/cert-instruc-annual-certification.pdf>

Please submit your Drug-Free Workplace Policy (DF Policy) separate from the response to this RFQ ([DF Policy Example](#)). The DF Policy is a one-time submittal to NDOT. Please do not re-submit unless your DF Policy has changed or you have previously submitted a DF Policy. While the DF Policy is not a submittal requirement, all consultants must have an acceptable DF Policy on file prior to the deadline identified in the Schedule of Activities. If necessary, the consultant's DF Policy may be submitted via email to: NDOT.PDAnnualCertification@nebraska.gov

Please do not call or write NDOT staff for information regarding the services in this RFQ. Email all inquiries/questions to NDOT Procurement Engineer, at: ndot.pdRFQinfo@nebraska.gov or call (402) 479-4778.
