FOR IMMEDIATE RELEASE

Media Advisory: Governor Pillen to Celebrate Completion of US-275 Scribner–West Point segment and Highlights Next Steps for US-275 Corridor

Oct. 31, 2024 (Lincoln, Neb.) — The Nebraska Department of Transportation (NDOT), together with Governor Jim Pillen, will host a ribbon-cutting ceremony on Monday, November 4, 2024, to celebrate the completion of the latest 18.5 mile segment of US-275 and detail next steps to complete the approximately 28 miles remaining of the US 275 Expressway Corridor from Norfolk to West Point. The Scribner-West Point segment began construction in summer of 2021 and was broken into four separate projects with Koss Construction Company, Graham Construction, Inc. and multiple local subcontractors participating.

The State Legislature designated the US-275 Corridor as part of the Nebraska Expressway System in 1988. The Expressway System was created taking into consideration population and demographic data, agricultural production and economic activity. Infrastructure improvements along these corridors are focused on connecting urban centers to the Interstate, supporting economic growth and enhancing quality of life in Nebraska’s communities.

Governor Pillen, NDOT Director Vicki Kramer and Graham Construction, Inc. Vice President Dave Rexin will make remarks at the Scribner Auditorium celebrating the completion of the existing project with Governor Pillen laying out the Administration’s vision for completion of the corridor.
