Compliance Statement

I certify that all materials to be provided for this contact comply with the applicable federal requirements for domestic production under 23 U.S.C. § 313 (FHWA Buy America), 23 C.F.R. 635.410 (Buy America Act), 2 C.F.R. Part 184 (Build America, Buy America Act Requirements) and other related U.S. Statutes, guidance and policies of the FHWA and USDOT as amended and as applicable to domestic material content procurement preferences, or that a waiver applies as indicated and provided for below.

All iron and steel meet domestic production requirements including manufacturing processes.

All manufactured products meet federal domestic production standards.

All construction materials comply with the federal Build America, Buy America rules and requirements.

Vendor further certifies that Vendor will remain compliant with the applicable Domestic Material Compliance Certifications throughout the duration of the contract, including renewals and extensions.

Supporting documentation will be provided upon request.

I further certify that all statements contained in this form are true and accurate and that I am in a position to legally bind the Company/Organization represented on this form.

Waiver Status

- [ ] No waiver applies; all materials are compliant.
- [ ] FHWA waiver applies (attach approved waiver).
