FOR IMMEDIATE RELEASE

Micro-surfacing will begin in Wheeler County

Sept. 9, 2025 (Ainsworth, Neb.) – Weather permitting, micro-surfacing work will begin Sept. 19 on Nebraska Highway 70 (N-70), beginning at reference post 171.94 and proceeding east to reference post 179.94 at the Wheeler/Antelope County line, according to the Nebraska Department of Transportation.

Missouri Petroleum Company, of St. Louis, Mo., is the contractor. Traffic will be maintained with a pilot car and flaggers. Anticipated completion is Sept. 2025.

Motorists are reminded to drive cautiously in and near work zones, to buckle up, and put phones down.
