

23rd Street, Columbus &
10th Street Superfund Site
**PUBLIC INFORMATION
OPEN HOUSE MEETING**

The Nebraska Department of Transportation (NDOT) and the U.S. Environmental Protection Agency (EPA) will hold a pre-construction public information meeting regarding the improvements of U.S. Highway 30 (US-30) from just east of the north junction of U.S. Highway 81 (US-81) and US-30, extending to just east of the East 11th Avenue intersection, including EPA mitigation, identified as 10th Street Superfund Site www.epa.gov/superfund/10thstreet.

Thursday, August 11, 2022
5:00 p.m. - 7:00 p.m. CST
American Legion Hartman Post 84
2263 3rd Ave Columbus, NE 68601

Initial construction associated with EPA mitigation is scheduled to start in August 2022, and the remaining construction is scheduled to start in Spring of 2023. The pre-construction public information meeting is being held to present an overview of the schedule, phasing, and upcoming traffic impacts and closures associated with the EPA mitigation site. There will be a formal presentation at 5:15 p.m. with an open house public information meeting to follow until 7:00 p.m. A video presentation and all meeting materials will be available online for those unable to attend. EPA is committed to providing reasonable accommodations to individuals with disabilities. For reasonable accommodations at the Public Meeting, please contact Euleashia Embry at 1-800-223-0425 or embry.euleashia@epa.gov.
