

Request for Qualifications

Professional Services for a 4-lane Facility,
Mead – US-6/N31, CN 13552

COMING SOON

Attention Consultant Community,

NDOT anticipates issuing a Request for Qualifications for the above-referenced project on NDOT's website in January 2025. This project will expand N-92 and US-275 to a 4-lane facility from the US-77 / N-92 Mead Junction to the US-275 / W. Dodge Rd. Intersection and tie into the existing 4-lane segment just west of the US-6 / N-31 / US-275 / N-92 Junction. Improvements to the US-275 / N-92 / L-28E Junction, the US-275 / Skyline Dr. intersection, and the N-92 / Two Rivers State Recreational Rd. intersection are anticipated. Project will likely require roadway and bridge design services, hydraulics, environmental services, right-of-way services, and public involvement.

PHASE I – Corridor Study, Preliminary Design, NEPA Decision

The Consultant will provide survey, environmental resource reviews, traffic analyses, public meetings coordination and materials, and preliminary design of the corridor defined above as part of the alternatives analysis for the NEPA and environmental permitting process.

PHASE II – Final Design recommendation

Upon receipt of the NEPA decision, the Consultant will recommend construction projects and sequencing within the corridor based off the information developed in Phase I. Consultant will provide final design services for one or more of the defined construction segments along the Project corridor. Design plans will be detailed, limits of construction developed, and permits secured. Final plans, quantities and specifications would be prepared for PS&E submittal.

This project will be funded through multiple sources including the Build Nebraska Act (BNA), the Transportation Innovation Act (TIA), and state funds. Link to BNA/TIA info sheet: <https://dot.nebraska.gov/media/gn4pixya/n-92-us-275-east-of-yutan.pdf>

As a reminder, interested consultants must be certified by NDOT or have submitted a certification form to NDOT prior to submitting a Statement of Qualifications. Instructions for completing the NDOT Annual Consultant Certification form is available at: <https://dot.nebraska.gov/media/6075/cert-instruc-annual-certification.pdf>

NDOT is actively working to finalize this publication. Please do not call or write NDOT staff for information regarding the contents of this upcoming RFQ.
