

Consultant Work Order – Approval of Additional Work

(State Agreements)

Approval/NTP Date:	
CWO #:	
Agreement No.:	Project Location:
Control No.:	Consultant Name:
Project No.:	Consultant's PM:

Approval / Notice-to-Proceed (NTP) – Provides NTP for any new out-of-scope work tied to an existing agreement, or provides recognition and approval of unexpected additional effort related to existing scope. A CWO will result in negotiated/approved costs, but not all CWOs will be processed into supplemental agreements. A CWO does not add additional money to the agreement unless, or until, a supplemental agreement has been executed.

1. Description of the new out-of-scope work, or describe the additional effort for already scoped work: 

2. Justification for needing advanced NTP (required for the addition of NEW out-of-scope work only): 

3. Does this CWO need to be processed into a supplemental agreement now (i.e. Consultant is low on available funds in the agreement)? Y / N
 - a. If money is not needed now because adequate funds remain in the agreement, select "N" and NDOT will defer drafting a supplemental agreement until the additional compensation is needed.
 - b. Scope and fee negotiations must be completed regardless of whether CWO funds will be deferred.
 - c. In some cases, Consultant may have funds available within the agreement to reallocate to cover the needed expenses. If applicable, Consultant may submit an NDOT Form 251c – CWO Reallocation of Funds.
