**FOR IMMEDIATE RELEASE**

## **Work scheduled to begin on N-35 between Hubbard and US-75**

**March 18, 2026 (Norfolk, Neb.)** — Weather permitting, work will begin March 23 on Nebraska Highway 35 (N-35) between Hubbard and U.S. Highway 75 (US-75), according to the Nebraska Department of Transportation.

Knife River Midwest, of Sioux City, Iowa, is the prime contractor. The improvements on this project consist of culvert work, the rehabilitation of two bridges, resurfacing the roadway and the addition of a right-turn lane at the N-35 and N-110 junction.

Traffic will be maintained with a pilot vehicle and flaggers. Temporary traffic signals will be in use for a portion of the project. Anticipated completion is late autumn of 2026.

Motorists are reminded to drive cautiously in and near work zones, to buckle up, and put phones down.
