FOR IMMEDIATE RELEASE

Work will begin on US-34, Max East and West project

June 5, 2026 (McCook, Neb.) — Weather permitting, work will begin June 16 on U.S. Highway 34 (US-34), from reference post 35.11 to reference post 42.25, according to the Nebraska Department of Transportation.

Werner Construction, of Hastings, is the contractor for this project. Work includes bridge work, asphalt milling and overlay, and guardrail work. Traffic will be maintained with temporary traffic signals and pilot car with flaggers. A 16-foot width restriction will be in effect for bridge work. Anticipated completion is Nov. 2026.

Motorists are reminded to drive cautiously in and near work zones, to buckle up, and put phones down.
