This is a government computer system. Unauthorized access is prohibited. Anyone using this system is subject to monitoring. Unauthorized use, disclosure, alteration, destruction or damage to data, programs or equipment could result in disciplinary action or other penalties, both civil and criminal.

By checking the box, you agree to the Legal Notice above

Internet Explorer is the recommended browser for this Remote App system. For the best experience please ensure that you are using Internet Explorer.

To protect against unauthorized access, your RD Web Access session will automatically time out after a period of inactivity. If your session ends, refresh your browser and sign in again.

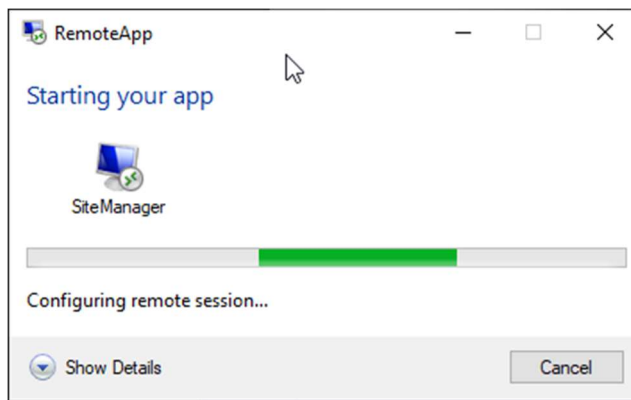

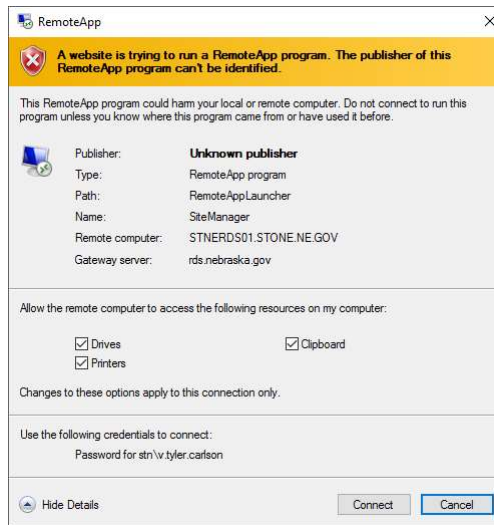

Windows Server 2016 Microsoft

- a. Use your STN credentials to login on this site:
  - i. Username: stn\firstname.lastname
    1. It is important you include the "stn\" in your username
  - ii. Password: STN password

3. Once logged in click on either SiteManager, RUG, or the NDOT Report Portal to access the resource

- a. When clicking on one of the resources above, prompts may appear to connect and accept terms.

4. After the prompts, the resource will open and appear like any app running on your computer.
5. Use the resource normally.
