# Safe On All Roads – Back-to-School

Protect your most precious cargo.

## Buckle up.

Our community keeps us going. We work together to protect traditions and our way of life. And when it comes to driving, everyone needs to do their part to protect each other. Wear a seat belt, and make sure everyone in the car is wearing one, too. Even the smallest passengers need to buckle up with a car seat or booster seat.

Keep our communities safe.
