

# PRE-CONSTRUCTION UPDATE

## North Bend - US-30

### STP-79-3(108); CN 22752

#### CONSTRUCTION SCHEDULE *(weather permitting)*

Anticipated Start:  
April 3, 2023

Anticipated Completion:  
September 2023

Steve Harris Construction Inc. has the contract.

#### IMPROVEMENTS

Improvements include milling & resurfacing in rural segments and reconstruction of concrete pavement in the urban segment. Additional work includes bridge repair and resurfacing, antique style lighting, storm sewer improvements in downtown North Bend, utility relocations & improvements, and curbs, gutters, and sidewalks along the entire corridor.

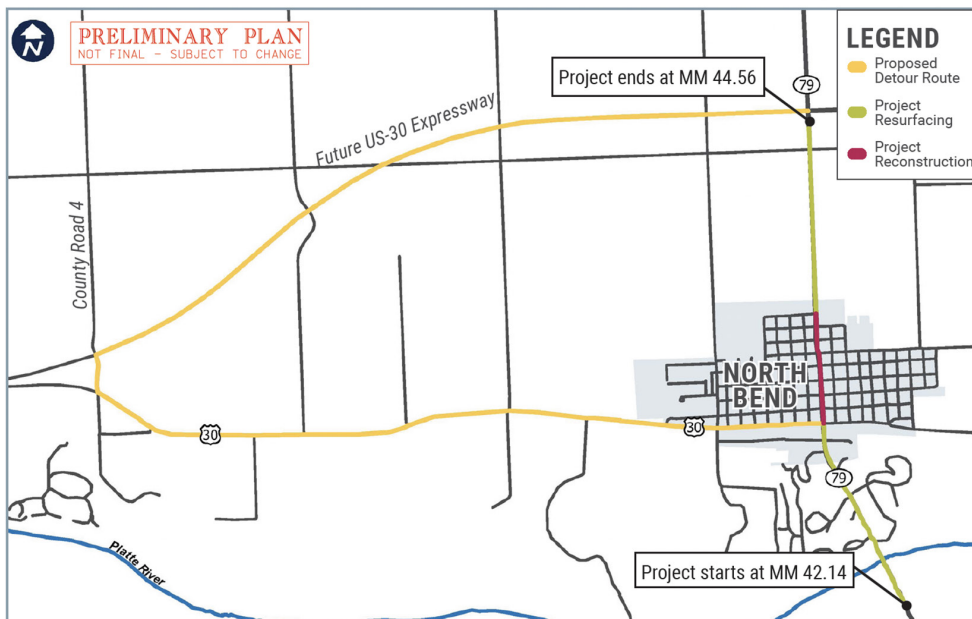

#### TRAFFIC IMPACTS

The rural segments of this project will be constructed under traffic. The urban segment will require temporary closures of N-79, with through traffic detoured to the future US-30 Expressway. Local residents will be notified prior to any access disruptions during the reconstruction phase of the project.

#### COST

\$6 million
