NDOT Project: **NH-180-9(733) Hwy 6 & Adams St Bridges over I-180; C.N. 12046**

Dear Stakeholder:

The purpose of this letter is to provide an update regarding the pedestrian accommodations for the proposed *Hwy 6 & Adams St Bridges over I-180* project in Lancaster County. The proposed project would remove and replace the US-6/Sun Valley Boulevard bridge (Structure Number S180 00255) and the Adams Street bridge (Structure Number S180 00164) over Interstate 180 (I-180).

As part of the proposed project, the Adams Street bridge and adjacent sidewalk would be closed for the duration of construction. Pedestrians would be able to utilize the Star Tran bus during operating hours (from 5:45 a.m. to 6:35 p.m. Mon - Sat) for transportation across I-180 at no cost to the rider by informing the driver they wish to cross I-180. Additional details regarding the Star Tran route would be shared on their website prior to the start of construction. Outside of Star Tran operating hours, pedestrians would be detoured utilizing sidewalks along N 1st Street, Superior Street, 7th Street, Benton Street, 11th Street, and Adams Street.

NDOT is currently seeking public input on the proposed pedestrian accommodations. A comment sheet with pre-paid postage is enclosed. The comment period will run through September 1, 2025. Additional information regarding the project may be found by visiting the NDOT website at [ndot.info/12046](https://ndot.info/12046) or by contacting the NDOT District 1 office at (402) 471-0850.

NDOT is committed to keeping stakeholders informed and communicating updates as they are known. We are dedicated to improving Nebraska's highway system and with your help we can achieve this goal.
