		1. I realize the question time frame has past but the pricing responded to in the addendum is not the current pricing but the prior bid tab. Is there a way you can publish the current pricing as I am sure there were price increases during the last contract.	<p>Current Contract(s) (15318 & 15319) pricing can be viewed using the following url's. The url's will take you to the current contracts. Click on Contract Number Link. Current pricing will begin with the page 1.</p> <p><u>Contract-15318</u> https://das.nebraska.gov/materiel/purchasing/contracts/pdfs/15318(oc)awd.pdf</p> <p><u>Contract-15319</u> https://dot.nebraska.gov/media/jfkh10cd/15319-cc.pdf</p>

This addendum will become part of the proposal and should be acknowledged with the Invitation to Bid.
