

NEBRASKA DEPARTMENT OF TRANSPORTATION
NOTICE OF HIGHWAY IMPROVEMENT PROJECTS

13th St West, Omaha
NH-80-9(119); C.N. 22823
and
Bancroft St – Dewey St, Omaha
NH-480-9(12); C.N. 22824

Identified as **13th St West, Omaha** and **Bancroft St – Dewey St, Omaha**, the proposed projects would improve approximately 0.91 miles of Interstate 80 (I-80) and approximately 2.35 miles of Interstate 480 (I-480) and U.S. Highway 75 (US-75) in Douglas County.

The **13th St West, Omaha** project would begin at approximately mile marker (MM) 453.39 and extend east to approximately MM 454.30. The **Bancroft St – Dewey St, Omaha** project would begin on I-480, at approximately MM 0.00 and extend to approximately MM 2.07. The portion on US-75 would begin at approximately MM 87.80 and extend to approximately MM 88.08.

The purpose of these proposed projects is to preserve the transportation asset, improve the reliability of the transportation system and perpetuate the mobility of the traveling public. The need for the proposed projects is based on the current condition of the existing roadways.

Proposed improvements on both projects would consist of crack sealing of the asphalt pavement.

The proposed projects would not require the acquisition of additional property rights. Access to adjacent properties would be maintained but may be limited at times due to phasing requirements. No wetland and/or other water resource impacts are anticipated due to the urban nature of the projects.

Construction of the proposed projects is tentatively scheduled to begin in fall 2023, with anticipated completion by summer 2024.

Most of the work on these projects would occur at night. The projects would be constructed primarily under traffic with lane closures controlled by appropriate traffic control devices and practices; however temporary overnight ramp closures would be required. Alternate routes would need to be utilized during these short-term closures.

The following ramps would be closed at varying times throughout construction; not all at once.

13th St West, Omaha:

- Northbound US-75/southbound I-480 ramp to eastbound I-80
- Westbound I-80 ramp to northbound I-480/southbound US-75
- Eastbound I-80 off-ramp to 13th Street
- Westbound I-80 on-ramp from southbound 13th Street
- Northbound 13th Street on-loop to westbound I-80

Bancroft St – Dewey St, Omaha:

- Southbound US-75 off-ramp to F Street
- Northbound US-75 on-ramp from F Street
- Northbound US-75 ramp to eastbound I-80
- Southbound I-480 ramp to eastbound I-80
- Eastbound I-80 ramp to southbound US-75
- Eastbound I-80 ramp to northbound I-480
- Northbound US-75 ramp to westbound I-80
- Southbound I-480 ramp to westbound I-80
- Westbound I-80 ramp to northbound I-480
- Westbound I-80 ramp to southbound US-75
- Northbound I-480 on-ramp & off-ramp at Martha Street
- Southbound I-480 on-ramp & off-ramp at Martha Street
- Northbound I-480 off-ramp at Leavenworth Street
- Southbound I-480 on-ramp from Leavenworth Street
- Northbound I-480 off-ramp at Harney Street
- Southbound I-480 on-ramp from Harney Street

NDOT has worked to develop this project to minimize inconvenience and hardships. We are dedicated to improving Nebraska's highway system, and with your help, we can achieve this goal.
