

Short-List Consultant Interview Schedule

RFQ-2421: Value Engineering On-call

Date: Tuesday, October 2, 2024

Location: WebEx virtual meeting. Consultants will be brought into the meeting space at the times specific below. WebEx connection information will be emailed to each firm's contact/project manager at least one day prior to the scheduled start time.

Schedule:

Time	Firm
8:35 am	BENESCH AND COMPANY/ALFRED
9:00 am	VE GROUP, LLC
9:25 am	WSP USA INC

Details: WebEx interview will include up to 10-minutes of focus area discussions followed by up to 10 minutes of Q&A.

Discussion Focus Areas: The panel will be well versed in the organizational structure and technical responses provided in the Statement of Qualification for this RFQ. NDOT asks that you not focus a lot of time discussing those areas unless there have been changes you want to highlight. Instead, NDOT suggests the interview discusses these topics:

- Explain the concept of “right-sizing” a VE study for the project and client (NDOT). Ex. interstate reconstruction project, on alignment.
- Approach to training NDOT staff to be VE members, and to be VE facilitators for select projects in the future.
- Each firm should be prepared to answer a variety of questions at the conclusion of their prepared discussion.
