FOR IMMEDIATE RELEASE

Work will begin on Knox County bridge replacement on Road 881, west of Center

April 4, 2025 (Norfolk, Neb.) — Weather permitting, work will begin April 14 on Road 881, west of Center, according to the Nebraska Department of Transportation.

Herbst Construction, of Le Mars, Iowa, is the contractor for this project. Work includes clearing and grubbing, bridge removal and construction of a new 292-foot bridge, grading, culverts and permanent seeding. Traffic will be maintained with a detour north and then west on Nebraska Highway 84 (N-84) to the west intersection of Road 881. Anticipated completion is Oct. 2025.

Motorists are reminded to drive cautiously in and near work zones, to buckle up, and to put phones down.
