

Short-List Consultant Interview Schedule

RFQ-2320: Business Intelligence/Data Analytics Services

Date: Wednesday, September 20, 2023

Location: **WebEx virtual meeting.** Consultants will be brought into the meeting space at the times specific below. WebEx connection information will be emailed to each firm's contact/project manager at least one day prior to the scheduled start time.

Schedule:

Time	Firm
9:10 am	SRF
9:40 am	HDR
10:15 am	High Street
10:45 am	FHU

Details: WebEx interview will include a 15-minute prepared presentation (firm may share screen/ control presentation) followed by up to 10 minutes of Q&A.

Please email interview presentation slides in PDF format to NDOT.pdRFQinfo@nebraska.gov by 4:00 p.m. on Tuesday, September 19, 2023. Please name your interview slides ***firm name_RFQ-2320.pdf***.

Presentation Focus: The panel will be well versed in the organizational structure and technical responses provided in the Statement of Qualification for this RFQ. NDOT asks that you not focus a lot of time presenting on those areas unless there have been changes you want to highlight. Instead, NDOT suggests the interview contains information such as the following:

- The Bipartisan Infrastructure Law introduces new emphases on policy elements such as equity, carbon reduction, electrification, etc. Please describe some of your ideas for helping NDOT think through these things using business intelligence to be more effective.
- Our business is transportation engineering, planning, operations and maintenance. Please describe how data analysis can serve our decision-making processes at the NDOT now and into the future?
- The NDOT often develops open ended business questions that are difficult to tackle due to their complexity. Please describe your process for taking vague problem statements from clients and transforming them into clear, actionable projects that build the tools and solutions they need.
