**FOR IMMEDIATE RELEASE**

## Maintenance work will begin on N-109

**May 19, 2025 (Lincoln, Neb.)** — Weather permitting, a chip seal project will begin Wednesday, May 21, on Nebraska Highway 109 (N-109), according to the Nebraska Department of Transportation. Chip seal is an application of an asphalt binder to a roadway surface followed by an aggregate.

State maintenance forces will be performing a chip seal on N-109, from reference post 11 to reference post 16. Traffic will be reduced to one lane with the use of a pilot car and flaggers. The work is anticipated to take two (2) days.

Motorists should expect to see delays and are reminded to drive cautiously through highway work zones.
