FOR IMMEDIATE RELEASE

Southbound US-75, Chandler Road - I-480 Project Begins: Various Overnight Lane and Ramp Closures through Fall 2023

June 8, 2023 (Omaha, Neb.) — Beginning Sunday, June 11 through fall 2023, construction on the U.S. Highway 75 (US-75) southbound project from the Interstate 480 (I-480) interchange to Chandler Road will resume, weather permitting. During this project, there will be various overnight lane and ramp closures on US-75 southbound, I-80 eastbound and westbound to US-75 southbound, and I-480 southbound to US-75 southbound for milling and asphalt overlay. Upcoming lane and ramp closures are as follows:

- On Sunday, June 11, from 9:00 p.m. to 6:00 a.m., I-480 to US-75 southbound will be closed for milling the existing asphalt surface.
- On Monday, June 12, from 9:00 p.m. to 6:00 a.m., I-80 eastbound and westbound to US-75 southbound will be closed, as well as the US-75 southbound ramps to and from F Street for milling the existing asphalt surface.

Construction on this project began in summer 2021 is expected to be complete by fall 2023. This project include road improvements such as milling and asphalt overlay. These are important because they help to restore the road's structural integrity, improve its overall condition, and extend the lifespan of the road. For more information on the project, please the [project webpage](#).
