Creating an Account on BidX.com

Bidx.com has three account options. The free version is sufficient to see all of the information described in this guide.

1. Click to be directed to BidX.com to follow the instructions below.

Bidx.com

Built specifically for the highway construction industry, Bidx.com is used by agencies from 39 states and 1 Canadian province to manage their bidding process. With tools to streamline proposals and empower contractors to win more bids, Bidx.com sets the standard for transportation project bidding.

2. If you need an account, click on "Create an Account".

2a. Or click here to login.

3. You will be prompted to enter information to create an account.

4. A verification email will be sent to the email you put down. You will need to enter in the verification code to continue.

Sign up for Bidx.com: Step 1

5. Click on the blue name of the attachment you're wanting to view.

This is going to automatically download the document. You will be able to view it from your computer's download section.

DOCUMENT BREAKDOWN

Apparent Low Bidders: Typically posted the day after letting. This document reflects ties/limitations and determined apparent low bidders for each project.

Awards & Rejections: Posted once projects are awarded. Lists the projects and status of award/rejection.

Bid Tabulations: Posted as each project is awarded. A breakdown of each line item bid amount from each Contractor's bid per project.

Bids As Read: Posted after the letting is complete. Lists all bidders with their total bid amount. This is what is read during the letting.

DBE Commitments: Lists the projects with a DBE Goal and provides information on the Prime Contractors' DBE Commitments for each project.

DBE.BIN File: This needs to be downloaded with the bid file to allow for DBE Contractors to be selected in the DBE commitment portion of the bidding file by the Prime Contractor.

EBLIB: This is the file where you will find the project ebs files for the letting. Project specific ebs files can also be found under each proposal. If there are amendment files, they will need to be saved in the same location as the bid file for the amendment to reflect on the bidding file.

Letting Project Information: Posted 3 weeks before letting. Synopsis of all projects going in the letting. The projects with * next to the Call Order indicate the projects with a DBE Goal.

Notice to Contractors: Posted 3 weeks before letting. Provides more information about the projects and indicates which projects have DBE Goals.

Planholders List: A list of Contractors who have registered to appear as planholders. Those planholders authorized to bid as prime contractors are noted with a "Y" in the bidding proposal column.

Project Historical Data: Project pavement history data.
