Do you agree with the project need for the reconstruction of 23rd Street and/or can you identify additional needs?

What other improvements do you think would be beneficial for the project area?

Do you have any questions about consolidating and/or modifying access driveways?

Do you have any safety concerns with 23rd Street traffic east of the US-81 and US-30 intersection?

General comments (e.g., future expansion plans, during-construction concerns, etc):
