FOR IMMEDIATE RELEASE

## Omaha's I-480 Bridge to Close Starting May 30

**May 20, 2025 (Omaha, Neb.)** – Weather permitting, beginning Friday, May 30, at 9 p.m. the City of Omaha will close Interstate 480 (I-480) in both directions for bridge construction at Harney Street in Omaha. The closure will continue through Monday, June 2 at 6 a.m.

Signage indicating detour routes will be in place to guide traffic around the closure. Southbound I-480 drivers will be detoured via the Dodge Street exit, take North 30th Street southbound, and reconnect to I-480 at Harney Street. Northbound traffic can exit at Harney Street, take 28th Street northbound, and re-enter I-480 after Dodge Street. Drivers should anticipate heavier-than-normal traffic along detour routes and are encouraged to seek alternate routes where possible.

This closure is one of several planned weekend closures for the Harney Street Bridge reconstruction project, including girder installation and bridge deck construction. NDOT will provide advance notice of future closures as work progresses.

Hawkins Construction Company is the prime contractor for the project.

For updates on this project and other roadwork across Nebraska, visit [dot.nebraska.gov](http://dot.nebraska.gov) or follow NDOT on social media.

Motorists are reminded to drive cautiously in and near work zones, to buckle up, and put phones down.
