Contractor is responsible for trimming around all light poles, signs, guardrails, trees, shrubs, bridge abutments, retaining walls and fence lines, etc. from the I-80 Missouri River Bridge to the west side of the 13th St. Interchange. Additionally, the Contractor is responsible for trimming on Interstate 480 from the I-80 Interchange to the I-480 Missouri River Bridge including the Highway 75 (North Freeway) Interchange to the north side of the Hamilton St. Interchange. All trimming will be performed simultaneously with each mowing operation.

TOTALS ALL MOWING 2011.6 (PER CUTTING)
