FOR IMMEDIATE RELEASE

Work will begin on N-92, in Tryon and in Stapleton

June 22, 2026 (North Platte, Neb.) – Weather permitting, work will begin June 29 on Nebraska Highway 92 (N-92), from reference post 203.5 to reference post 203.77 and reference post 228.27 to reference post 228.95 according to the Nebraska Department of Transportation.

Western Engineering Company, Inc., of Harlan, Iowa, is the contractor for this project. Work includes milling and asphalt resurfacing, sidewalk accessibility improvements, culvert work, and electrical items. Traffic will be maintained with a pilot car and flaggers for paving operations. Pedestrian access will be maintained at nearby crossings during sidewalk construction. A 12-foot width restriction will be in effect. Anticipated completion is Aug. 2026.

The purpose of this project is to preserve the transportation asset, improve the reliability of the transportation system and perpetuate the mobility of the traveling public.

Motorists are reminded to drive cautiously in and near work zones, to buckle up, and put phones down.
