

Request for Qualifications

Professional Services for Statewide Underwater Bridge Inspection

August 21, 2026

COMING SOON

NDOT anticipates posting a Request for Qualifications for the above-referenced project within one to two weeks on NDOT's website.

NDOT is seeking qualified consultants to provide Underwater Bridge Inspection services on approximately 164 Local and State inland bridges and 8 Missouri River bridges.

NDOT is actively working to finalize this upcoming RFQ publication. Please do not call or write NDOT staff for information regarding the contents of this upcoming RFQ.
