March 27, 2026 (Omaha, Neb.) – According to the City of Omaha, weather permitting, Interstate 480 (I-480) will be closed at Harney/Farnam Streets. The closure will start at 9 p.m. on Friday, April 10, and end prior to 6 a.m. Monday, April 13.

The I-480 northbound and southbound lanes will close at 9 p.m. on April 10. A minimum of one northbound lane will be open by 12 p.m. on April 12, with I-480 fully open by the evening. The closure is necessary for girder placement on the Farnam Street Bridge and sign installation over the Harney Street Bridge.

Over the weekend, downtown-bound drivers should detour via Harney, while westbound traffic is encouraged to use 24th Street to Dodge.

Motorists are reminded to drive cautiously in and near work zones, to buckle up, and put phones down.
