NDOT Project: **S-77-2(1083) Wahoo – Fremont South; C.N. 13519**

Dear Stakeholder:

The purpose of this letter is to provide an update regarding the proposed transportation improvement project on U.S. Highway 77 (US-77) in Saunders and Dodge counties.

In June of 2024, the Nebraska Department of Transportation (NDOT) held two public information open house meetings presenting the proposed expansion of US-77 from a two-lane highway to a four-lane expressway using the 2+2 approach. Potential intersection alternatives were also presented for several intersections throughout the project area. After considering feedback from the public meetings, updated estimates, and design challenges, NDOT is exploring additional alternatives, including an off-alignment alternative for the northernmost approximately 4 miles of the project. NDOT will coordinate with the appropriate resource agencies and additional public meetings are anticipated to be held in the summer or fall of 2025.

Any questions or comments regarding this project should be submitted to: Sarah Fisher, Public Involvement Specialist, Nebraska Department of Transportation, P.O. Sincerely,
