RE: Addendum for RFP R411-24
to be opened November 4, 2024, at 3:00 p.m. CST

Change in Scope

The State of Nebraska Dept. of Transportation (NDOT), District 6, Maintenance Superintendent Area 630 I-80 and Secondary, is requesting proposals for the provision of Right-of-Way (ROW) Mowing Services per Exhibit 2 - District 6 Map and Exhibit 5 – Highway Maps. ROW Mowing Services shall include machine rotary mowing of the Highway ROW on all designated areas where vegetation exists beyond the shoulder or pavement edge(s) of the roadway and as specified in this RFP. **Contracts will be awarded according to Maintenance Superintendent Areas, with one contract awarded for Superintendent Area 630 I-80 and one contract awarded for Superintendent Area 630 Secondary. Proposals may be submitted with pricing for all areas listed in District 6 OR per individual superintendent area, as desired.**

Superintendent Areas 620 & 650 Secondary have been removed from the RFP.

This addendum will be incorporated into the solicitation.
