

Proposer Question Responses
08/06/2025 - FINAL RFP
Saddle Creek Road Bridge Project - CN 22761

No.	Document	Section	Question	NDOT Response
1	ITP	3.2.3	Will NDOT consider reducing Construction Manager key role minimum experience requirement from 10 years to 8 years?	No change will be made. NDOT considers 10 years' minimum experience to be the appropriate minimum number of years experience required to provide meaningful input during the preconstruction phase of the project.
