The said Documents have been prepared by Erickson Sullivan Architects and may be obtained from A & D Technical Supply for a refundable deposit of $100.00, contact 402-474-5454 to obtain documents. Documents are also available for viewing at the Lincoln Builders Bureau, Omaha Builders Exchange.

A non-mandatory Pre-Bid Meeting has been scheduled for Thursday September 10, 2026 at 10:30 AM local time (CDT) at the current NDOT location of 123 Lake Avenue, Gothenburg, NE 69138.

Project Description: In general, work consists of the reroofing of the existing salt storage dome, including removal and replacement of existing asphalt shingles, underlayment, waterproofing, flashing, and associated roofing components as required. Existing exterior cladding shall remain unless deterioration or weathering necessitates replacement. The project also includes construction of a new enclosed structure over the existing conveyor pit utilized for salt handling operations. The enclosure is a wood-framed structure with exterior cladding and an access door designed to protect the conveyor system and pit from weather exposure while maintaining operational access. All work shall be completed in accordance with the contract documents, applicable codes, and Nebraska Department of Transportation and Architect standards.

All bids shall be made on the printed proposal forms attached to and made a part of the Proposed Contract Documents and submitted in a sealed envelope marked “Gothenburg Salt Dome Bid”. Bids which are mailed shall be placed in a separate sealed envelope, labeled as described in this paragraph, inside the mailing envelope
