FOR IMMEDIATE RELEASE

Micro-surfacing work continues in District 8 on N-137

June 6, 2025 (Ainsworth, Neb.) — Weather permitting, micro-surfacing work will begin June 16 on Nebraska Highway 137 (N-137), north of Newport, beginning at reference post 270+36 and proceeding south to reference post 13+28, according to the Nebraska Department of Transportation.

Intermountain Slurry Seal, Inc., of Watsonville, Calif., has the contract. Traffic will be maintained with a pilot car and flaggers. The anticipated completion is June 2025.

Motorists are reminded to drive cautiously in and near work zones, to buckle up, and put phones down.
