**FOR IMMEDIATE RELEASE**

**Work Will Begin at the Intersection of US-6/N-66, Southwest of Ashland**

June 5, 2023 (Lincoln, Neb.) – Weather permitting, work will begin the week of June 12 at the intersection of US-6/N-66 southwest of Ashland, according to the Nebraska Department of Transportation.

K2 Real Estate Development, LLC of Lincoln is the prime contractor for the project. Work will include the removal of asphalt and concrete island surfacing, new concrete pavement, installation of modular panels to create a roundabout, and installation of new street lighting and roadway signage.

The purpose of this project is to preserve the transportation asset and improve the reliability of the transportation system.

Traffic will be maintained with lane restrictions, speed reductions, and temporary lane closures. Work on this project will take place during daylight hours, Monday through Friday, with potential weekend work. A 12-foot width restriction will be in effect. Anticipated completion is September 2023.

Motorists are reminded to drive cautiously in and near work zones, to buckle up, and put phones down.
