NDOT Project: **STP-66-7(119) N-66 Connection in Louisville; C.N. 22795**

Dear Stakeholder:

Enclosed is updated information concerning the proposed federal and state funded transportation improvement project on Nebraska Highway 66 (N-66) located in Cass County.

The Nebraska Department of Transportation (NDOT) is planning to construct a new roadway and pedestrian facilities between Main Street and Walnut Street, including a new bridge spanning Mill Creek. It would also include closing three at-grade railroad crossings and removing two sidetracks in order to construct a signalized at-grade railroad crossing along the new segment of 5th Street/N-66. The Walnut Street and 5th Street intersection would be realigned. A signalized railroad crossing would be installed on Walnut Street near Ash Grove Cement Company. A southbound left-turn lane and northbound right-turn lane would be added on N-66/N-50 at the intersection with 5th Street. The existing roadway would be resurfaced and rehabilitated.

An additional closure and detour route have been added to the proposed project. Additional details can be found on the next page. All other information previously presented to the public remains the same.

Any questions or comments regarding this project should be submitted to: Emily Schweitzer, Public Involvement Specialist, Nebraska Department of Transportation, P.O. Box 94759, Lincoln, NE 68509-4759; emily.schweitzer@nebraska.gov; (402) 318-1324. For further information, contact Nathan Sorben, NDOT District 2 Engineer, 402-595-2534, nathan.sorben@nebraska.gov. Additional information regarding the project may also be found by visiting the NDOT website at ndot.info/22795.

NDOT has worked to develop this project to minimize inconvenience and hardships. We are dedicated to improving Nebraska's highway system and with your help we can achieve this goal.

Sincerely,

Emily Schweitzer, Public Involvement Specialist

N-66 Connection in Louisville

STP-66-7(119); C.N. 22795

Additional Local Traffic Detour

The intersection at 5th St. and Main St. would be closed. Traffic would be detoured north to the Nebraska Highway (N-50) intersection with Main St. and then west to 5th St. and N-50.
