FOR IMMEDIATE RELEASE

Traffic Switch Set for I-80, Q Street to N-50 (144th St.) Project

Oct. 28, 2025 (Omaha, Neb.) – The Nebraska Department of Transportation ([NDOT](http://ndot.gov)) announced that, weather permitting, Thursday night, Oct. 30, from 9 p.m. to 6 a.m., there will be a traffic switch on the Interstate 80 (I-80) westbound bridge over Papio Creek.

During this time, the I-80 right lane closure will be removed, and three lanes will be opened with a traffic switch at the Papio Creek Bridge.

This switch is necessary to construct an asphalt overlay on the I-80 bridge over Papio Creek.

Construction is anticipated to be complete by fall 2025. For more information, please visit ndot.info/22853.

More information about NDOT and Omaha metro-area city and county projects can be found at ndot.info/mtm. For a real-time look at traffic, visit 511.nebraska.gov. Stay safe during construction – plan ahead, follow detours, and remember: buckle up, phone down.
