

# Short-List Consultant Interview Schedule

## ***RFQ-2427: Court Street Access and Safety Transformation (CAST) Initiative***

**Date:** Tuesday, December 17, 2024

**Location:** WebEx virtual meeting. Consultants will be brought into the meeting space at the times specific below. WebEx connection information will be emailed to each firm's contact/project manager at least one day prior to the scheduled start time.

### **Schedule:**

<b>Time</b>	<b>Firm</b>
10:00 am	JEO
10:35 am	Olsson

**Details:** WebEx/Telephone interview will include a 20-minute prepared presentation (firm may share screen/ control presentation) followed by 10-minutes of Q&A.

Please email interview presentation slides in PDF format to [NDOT.pdRFQinfo@nebraska.gov](mailto:NDOT.pdRFQinfo@nebraska.gov) by 3:00 p.m. on Monday, December 16, 2024. Please name your interview slides ***firm name\_RFQ-2427\_Interview.pdf***.

**Presentation Focus:** The panel will be well versed in the organizational structure and technical responses provided in the Statement of Qualification for this RFQ. NDOT asks that you not focus a lot of time presenting on those areas unless there have been changes you want to highlight. Instead, NDOT suggests the interview contains information such as the following:

- Stormwater Management - Experience designing stormwater management solutions.
- Phasing of the Project - This project will require careful phasing to minimize disruption and ensure timely delivery. How do you approach phasing for projects with multiple stakeholders, and what strategies would you propose for the CAST Initiative
- Public Involvement and Community Engagement: What is your approach to designing public involvement strategies that build trust and gather meaningful input? How would you ensure that the community's needs and concerns are integrated into the design and implementation of this project?"
- Expertise in Landscaping Projects: Share examples of your experience with urban landscaping projects in other cities.
- Discretionary Grant Experience: This project is funded through a RAISE discretionary grant. Please describe your experience managing projects funded by similar grants, including your approach to meeting grant requirements and maximizing funding impact
