**FOR IMMEDIATE RELEASE**

## Work will begin tomorrow on N-8 in Richardson County

**Sept. 25, 2025 (Lincoln, Neb.)** – Weather permitting, a mill and chip seal project will begin tomorrow, Sept. 26, on Nebraska Highway 8 (N-8), from reference post 135.5 to reference post 141.5, west of Salem to US-75, according to the Nebraska Department of Transportation.

Cold milling is a process of removing deteriorated asphalt in preparation of placing a chip seal to improve the roadway surface and drivability. Chip seal is an application of an asphalt binder to a roadway surface followed by an aggregate.

Dustrol, Inc. will perform the milling operation and state maintenance forces will perform the chip seal. The work is expected to take 10 days. Traffic will be maintained with a pilot car and flaggers.

Motorists are reminded to drive cautiously in and near work zones, to buckle up, and put phones down.
