NEBRASKA DEPARTMENT OF TRANSPORTATION
ATTACHMENT A - COST SHEET
ITB # 128745 Z5 - Wood Lath and Construction Stakes

Bidders shall submit per-bundle pricing for delivered Wood Lath and Construction Stakes included in this solicitation. The per-bundle unit price will be the official price used for evaluation and award.

All costs necessary to meet the requirements of the Invitation to Bid—including materials, transportation, delivery, and any other associated expenses—must be included in the per-bundle price. Prices shall be net, with all charges fully prepaid by the Bidder, F.O.B. destination as specified in the solicitation. No additional charges, including packing, packaging, or partial-delivery fees, will be allowed.

Although pricing will be evaluated on a per-bundle basis, **the NDOT will place orders in full pallet quantities for each product.** Bundles are to be placed on one-way, stackable pallets.

Bidders shall clearly state the number of bundles contained in one pallet for each offered product. Pallet configuration information is required solely for ordering and logistical purposes and will not be used in the price evaluation. NDOT will evaluate and award bid(s) based only on the per-bundle unit price, regardless of pallet quantity.

Estimated quantities provided in the solicitation are not minimums or maximums; they are best estimates for reference and bidding purposes only.

**Optional pricing will be used solely for ordering purposes and will not be used in the evaluation or award of the contract.

Vendor Name: _____

Please specify the wood species for the Wood Lath when completing this Attachment.

Mandatory Materials and Sizes

NDOT Operations - Warehouse 5001 South 14th Street * Lincoln, NE 68512 Phone 402-479-4315 / 402-479-4320	Wood Species	Measurements	UOM Bundle (BD) Size	Estimated Annual Usage # of Bundles (BD)	Unit Bundle (BD) Price	For Ordering & Logistical Purposes Only	
						Pallet Size H" x W" x D"	# of Bundles per Pallet
Wood Lath		7/16" x 11/2" x 48"	50	1122			
Construction Stakes	Oak	2" x 2" x 9"	**25**	78			
Construction Stakes	Pine	1/2" x 2" x 18"	50	95			

Optional Materials and Sizes

If Construction Stakes in the Wood Species and Sizes listed below are required during the term of the contract, vendors shall provide a **firm, per-bundle delivered price** to the specified delivery location below. Optional pricing shall remain valid for the duration of the contract unless otherwise stated in the solicitation.

Submission of optional pricing does not obligate an awarded vendor to supply these optional materials; however, if optional pricing is provided, NDOT may order such materials at the quoted optional price.

All specifications, requirements, and terms and conditions of the base contract apply to the Optional Materials and Sizes unless explicitly stated otherwise.

**Optional pricing will be used solely for ordering purposes and will not be used in the evaluation or award of the contract.
